Revised Mail Routes To Start On Tuesday With Four Carriers

Art Trieger Changes from Route 2 After 34 Years of Service

Service on four rural mail routes instead of three will go into effect out of the Antioch office starting next Tuesday, but just who the extra carrier will be Postmaster Roy Kufalk doesn't yet know.

An office worker has sought a transfer but an approval has not yet come through, Kufalk said.

Monday will be the last day on Route 2 for Arthur Trieger who will take over the new route No. 4. Patrons on that route which goes through Hickory Corner are expressing their regret that Trieger is leaving them because he has always been so pleasant and obliging.

Trieger, a resident of Grass Lake rd., has been a carrier of Rte. 2 since July 1920, starting as a youth of 19 years. He took the place of Lee Mittendorf on the mail route and in October 1920 became a regular carrier. In those days he made the trip by horse and buggy because of the lack of hard roads.

Lester Osmond will continue on Rte. 1 where he has served 30 years, and Oliver Hughes will continue on Rte. 3 which he has served for more than 4 years.

Public May Attend Talent Show Sat. Given by H. School

The public is cordially invited to attend the all-school talent show presented in the high school auditorium at 8 p. m. Saturday, March 13, under the sponsorship of the Student Council.

The show will present the top three winners from each class talent show which has been presented previously. All talent was judged on the basis of originality, talent, and over-all presentation.

The 12 numbers with the aid of the high school band promise a very fine display of talent from solo presentations, both vocal and instrumental to the review by the African army corps and the Hawaiian dancers. Splendid dramatic presentations are displayed along various lines.

The price of admission is 40 cents to all, both students and adults. The proceeds are to be divided among the classes and the Council to promote further school activities.

Antioch Man Honored At Great Lakes for Beneficial Suggestion

Clair W. Elliott, of Route 21, was honored at a Beneficial Suggestion ceremony Thursday, Feb. 25 at the Electronic Supply Office, Great Lakes, Ill., where he is employed. Captain E. F. Metzger, SC, USN, the Commanding Officer, presented Mr. Elliott a cash award and a certificate of commendation for his suggestion which has been adopted by ESO.

One of a group of fourteen so honored, Mr. Elliott was awarded the second highest amount for his idea which will save the Navy (and the taxpayer) an estimated \$1195.00 annually. In improving the method used for computing the electron tube requirements for all new type equipments to be installed by the Navy, Mr. Elliott worked out a new form which materially improves the flow of information, eliminating much time formerly spent in looking through many individual folders to extract the needed data.

The Navy's Beneficial Suggestion Program encourages all civilian employees to submit any suggestion which they believe will save time, money, material or space, improve methods or safety, or simplify work. Its overall mission, to build a better Navy in less time and at less cost to the taxpayer, is continuous and affords each member of the Navy's civilian family a voice in the Navy's operation.

Wm. Mongan Will Start TV and Radio Service

William Mongan, son of Mrs. Earle Gibbs, graduated March 5 from DeVry Technical Institute. Mr. Mongan attained a 95.8 per cent average grade while attending this television course and is opening a TV and radio service in Antioch.

Mr. Mongan served 5 years as an electronic officer in the radio and radar field in the Air Force and completed 39 combat missions during the Korean campaign as a bombardier. Upon leaving the service he rolled in the D. T. I. to increase his training in the television field.

Antioch Basketball Squad Will Attend State Tournament

In recognition of their excellent spirit and playing this year, Coach Richard Scott and Warren Polley will take the 10 members of the High School basketball squad to the quarter finals of the state tournament at Springfield next week.

Coach Scott expressed his appreciation for the backing the community gave to the team throughout the year and at the regional tournament at Crystal Lake. Crowds estimated between 500 and 650 persons from Antioch and Lake Villa townships attended the three games and were thrilled by the playing of the Antioch team. The games will go down as outstanding events in Antioch basketball annals.

A. T. H. S. Musicians Make Good Showing In District Competition

Antioch Township High School students won three superior ratings and eight excellent ratings at the district music contest Saturday. The contest was held at Maine Township High school in Des Plaines under sponsorship of the Illinois High School Association.

Those receiving superior ratings were Benjamin Jay Cribb, cornet solo; Shirley Oilschlager, bass clarinet solo; and Ronald January, bass solo. Jay Cribb was certified to attend the state final competition at Bradley University in Peoria on April 30.

Those receiving excellent ratings were Lyn Bolton, clarinet solo; Robert Cain, baritone solo; Jaclyn Martin, trombone solo; Sharon Weber, soprano solo; and Eugene Carlquist, bass solo.

Ensembles receiving excellent ratings were the trumpet trio, David Cain, Donna Martin and Jay Cribb; the clarinet quartet, Lyn Bolton, Carole Hansen, Janet Rogers, and Lois Plattum; and the girls sextet, Nancy Rentner, Joanne Haak, Sharon Weber, Lynn Gray, Barbara Heilgenenthal and Shirley Ross.

This was the first time that any of these students had ever competed in Illinois High School competition. None of the Antioch entrants received lower than a good rating. Accompanists for the solos and ensembles were Mrs. Margaret Aschenbrenner, Lenore McCord, Donna Reidel, Nancy Swenson, Wendy Midgley, and Jaclyn Martin. Louis Chenette is the Antioch High School music director.

The district contest at Des Plaines included all participating schools in Lake and McHenry counties and those portions of Cook and DuPage counties located north of Alternate U. S. 30 (Roosevelt road). Several thousand students compete annually in this and other similar district contests.

Darlene Lux Hurt in Car Collision Saturday At Rtes. 173 and 59

Miss Darlene Lux, 17, daughter of Mr. and Mrs. Frank Lux of Bishop dr., was brought home Tuesday afternoon from Victory Memorial hospital where she was treated for a brain concussion as the result of an auto accident.

The accident occurred at 11:45 p. m. Saturday, the car driven by Miss Lux and one driven by Mrs. Dorothy Imroth of Venetian Village colliding at the intersection of Rtes 173 and 59.

Mrs. Imroth was thrown out of her car and suffered a bruised hip. Darlene was knocked unconscious and was taken to Victory Memorial hospital by the Antioch Rescue squad.

Two other couples with Miss Lux apparently were unhurt.

Mrs. Imroth was eastbound and Miss Lux northbound when the two cars collided. Darlene said she felt much better but was still quite weak when she arrived home.

Floyd Tidmarsh, 60, Dies Following Brief Illness

Floyd J. Tidmarsh, 60, of Antioch, died Friday, March 5 at 8:50 a. m. at the Lake County T. B. Sanatorium, Waukegan, following two months of illness.

He was born Feb. 20, 1874 at Riverside, Ill., and had made his home in Antioch since 1928.

Survivors are his wife Ruth and a daughter, Mrs. Virginia Steffenburg, both of Antioch, and three sisters, Mrs. Ethel Hoffman, Benton, Ark.; Miss Florence Tidmarsh, Oak Park, and Mrs. Evelyn Grimm, San Leandro, Calif.; a brother John Tidmarsh, Prophetstown, Ill., and one grandchild. Interment was in Chicago.

Rainbow Designates To Receive Honorary Degree Wednesday

Four Assemblies to Be Represented in Meeting at Antioch

Gloria Mydlach of the Chicago Assembly, Order of Rainbow for Girls will come to Antioch Mar. 17 to confer the Grand Cross for Color degree on designated members of the Antioch, Waukegan, Libertyville and Bensenville assemblies.

Miss Mydlach, a junior past worthy advisor, bears the title of state dean.

She will be assisted in the program by state officers: Grand Marshal Ila Mae Sawyer, Waukegan; Grand Chaplain June Thompson, Antioch; Grand Sister of Truth Jacquie Mydlach, Chicago; Grand Sister of Vision Bette Strahota, Chicago; Grand Sister of Victory Arlene Newman, Chicago; Grand Keeper of the Word Joyce Lang, Bensenville; Crown Bearer Rachel Junnila, Waukegan; Color Bearer Ruth Raether, Antioch; Grand Musician Mrs. Margaret Wistrom, Lake Forest; and Grand Soloist Carl Wistrom, Lake Forest.

The degree is conferred on outstanding members of the order chosen by each assembly. Usually the honor is conferred at the grand assembly, but many of those to be honored cannot attend, so a designated place within an area is selected.

This is the first time the degree has been conferred in Antioch. Masons, Eastern Star and Rainbow girls are privileged to attend.

Holtz To Report On Tavern Insurance To T.O.A. This Afternoon

R. G. (Bud) Holtz of Antioch, former president of the Tavern Owners' Association of Lake County was to make a report to the organization this afternoon on the progress of the Illinois Licensed Beverage Association's progress in organizing a new insurance company to provide lower dram shop insurance.

Holtz is executive vice president of the ILBA.

The tavern owners planned to meet this afternoon at Dick and Marge's tavern on Rte. 21 a half mile west of Bulkeley rd.

Henning Johnson of Deep Lake is the new president and is expected to be home from Florida in time to be installed. If he is not back, Bill Del Conte of the Perfect Lemon, Round Lake, will preside.

Austin, Ill., Minister Will Address Antioch Masons Next Tuesday

Dr. Thomas J. McGahey, pastor of the Faith Presbyterian church in Austin, will lecture on an important Masonic subject next Tuesday evening at the regular stated meeting of Sequoit Lodge No. 827.

Dr. McGahey has the reputation of a forceful after-dinner speaker and comes highly recommended, Bernard Guillaume, worshipful master of the lodge explained.

Sequit lodge has set aside one meeting a month for outstanding Masonic entertainment, a plan that has proven highly successful this year.

The coming meeting is expected to be no exception to the past important entertainment.

Robert Pincombe, junior warden, and his committee will serve refreshments following the meeting.

Play by Play Report State BB Tourney Will Be Broadcast

Play-by-play descriptions of the Illinois state high school basketball tournament, March 17 through 20, will be broadcast from George Huff gymnasium, Champaign, over an 11-station Chicago and northern Illinois network sponsored by Commonwealth Edison Company, Public Service Company and the new Northern Illinois Gas company.

Antioch High Frosh Win N.W. Tournament At Ela-Vernon High

The Antioch Township High School freshman basketball team added to the laurels of the school this week by winning the northwest conference tournament at Ela-Vernon High School at Lake Zurich.

In the first round Monday the Paposes beat Bensenville 61 to 32; overpowered Grant Tuesday afternoon in the semi-finals 40 to 23, and yesterday afternoon won the final game from Ela-Vernon 35 to 22. Hummel scored 14 points and Meyer 12 in the final game.

During the regular season Antioch won from Wauconda, Ela-Vernon, Grayslake and Palatine twice each (continued on page 5)

Kufalk Appeals for 20 Captains in Red Cross Drive in Antioch Area

Roy Kufalk, chairman of the Red Cross Drive in Antioch, today appealed for aid in carrying out the solicitation in the area.

He said that he has divided the community into 26 districts and needs a captain for each district.

He specifically listed shortages of workers in the Channel Lake, Lake Catherine, portions of Grass Lake, Beach Grove and Merrywood subdivisions, South Main st., and Lake st. in Antioch.

Kufalk said there was so much apathy on the part of many of those he sought for captaincies, and was not able to account for it. This is in contrast to other parts of Lake county where the campaign is going over big owing to the fine service the Red Cross has been providing during and following the Korean incident in comparison to the poorer service during World War II.

Hope was expressed that there will be volunteers to keep up Antioch's reputation of doing its share.

North Chicago and Woodstock on Next Year's BB Schedule

North Chicago, a new high school district, has been included in Antioch High School's basketball schedule for next year. The non-conference games will open the season.

The 1954-55 schedule as completed by Coach Dick Scott calls for games as follows:

Nov. 18—Hebron here; Nov. 20—Libertyville there; Nov. 24—Lake Forest there; Dec. 3—Grayslake there; Dec. 7—Grant here; Dec. 10—Wauconda here; Dec. 17—Glenbrook there; Dec. 18—Bensenville here; Dec. 22—Dundee here; Dec. 29—Richmond here; Jan. 7—Palatine there; Jan. 8—Warren there; Jan. 14—Ela-Vernon here; Jan. 15—Woodstock here; Jan. 21—Grayslake here; Jan. 25—Grant there; Jan. 28—Wauconda there; Feb. 4—Glenbrook here; Feb. 11—Bensenville there; Feb. 12—North Chicago here; Feb. 18—Palatine here; Feb. 19—Zion-Benton there; and Feb. 25—Ela-Vernon there.

Enter Latin Contest
Antioch High School Latin students will participate in a contest at Grayslake next Wednesday.

Vocations Day Success
Antioch seniors attending the Vocations Day at Glenbrook High School Tuesday considered it a success.

Professional Wrestling At Antioch High Gym Next Tuesday Evening

Eight of those heavy-muscled gladiators off the TV cables will participate in a furious show at the Antioch high school gymnasium on March 16.

The feature attraction is a tag match. Ray Gunkel, all-around Chicago athlete who holds the Texas mat title and is managed by Jack Dempsey will team with Billy Goetz of Fox Lake, Ill., against a pair of roughnecks named Gypsy Joe and Tor Yamato. The latter is a Japanese judo artist who recently clubbed down the best wrestler in the Northwest (Oregon, Washington and Colorado).

This match will run one hour or two of three falls.

Additional action in the program, sponsored by the American Legion, will find Larry Chene of Detroit taking on Johnny Balbo of La-Grange, Ill., and Farmer Paul Jones of Texas using his barefoot style against Zack Malkov of Chicago. The Jones character is bearded, and he played ball and grew up with Manager Paul Richards of the White Sox.

The show is expected to strengthen the wrestling fever in these parts. It will begin at 8:30 p. m.

Channel Lake Club Has Installation of Officers Discusses Safety Rules

Officers for the ensuing year were installed by the Channel Lake Community club at its meeting Monday evening.

They are William Amendola, president; Donald Biehling, vice president; Miss Dorothy Olson, treasurer; and Mrs. Russell Homan, publicity chairman.

The club was told that young school children are careless about safety rules as they walk home from school. It gave consideration to a patrol system with eighth grade boys helping to enforce the rule of walking on the left side of the road.

Until this can be worked out, parents were asked to remind the young children of the dangers. Traffic on Lake avenue in Channel lake is quite heavy at times and often too fast.

Tom Atwood, assistant Boy Scout leader, discussed the need for adult volunteers for work with the Boy Scout troop at Channel lake and expressed the hope that some of the fathers would be able to give some time to this activity.

Films scheduled for showing were not available and will be shown later.

Christian Youth Leader From India Will Speak Before M.Y.F. Sunday

Philip Philip, Christian youth leader from India, will speak to the youth of the Methodist church at 3:30 p. m. Sunday.

Philip is a Christian student from India who is studying for his doctorate at the University of Chicago. He has had wide experience with youth since coming to this country, having been one of the leaders at the Methodist summer camps at Conference Point, Lake Geneva, for the past two summers.

Philip will speak about what it means to be a Christian youth in India, and will teach some Indian songs and games. Owing to the privilege of having Philip come to Antioch, both the Intermediate and High School youth groups will meet together at 3:30 p. m. All junior high and high school youth in the community who are not a part of any church youth group are invited to this meeting.

A. T. H. S. Cagers End Great Year; 3 Championships

Varsity, Sophs, and Frosh All Win Conference Top Honors

Antioch Township High School basketball teams have completed the most successful year in the history of the school.

The varsity again is champion in the Northwest conference, sharing that spot with Grant which the Sequoits beat in the regional tournament. It won 18 and lost 7 games for the season counting both conference and non-conference games.

The Sophomores are conference champions also, sharing the honors with Grant and Ela-Vernon. The underclassmen won 14 games and lost seven.

And to top it all, the freshmen with the most imposing record of 13 victories and 2 defeats, won the conference tournament at Ela-Vernon yesterday defeating the Cubs 35 to 22.

The varsity, coached by Richard Scott, made an impressive showing at the regional tournament at Crystal Lake. The Sequoits first defeated Grant, and then in a big upset defeated the powerful Elgin Maroons 69 to 65.

Elgin led 49 to 35 late in the third period and it looked like certain defeat for Antioch. Then the Sequoits got hot and before the Maroons knew it Larry Lass and Mike Haviland pelted the basket enough to place their team in the lead. Haviland stole the ball twice from his opponent, once to score and the next time to pass to Warren Brownlee for a basket. Elgin went to pieces under the attack.

The final game with Crystal Lake the following night was almost a duplication of the Elgin game, but the Sequoits weren't quite able to give the knockout punch and lost by (continued on page 5)

Erickson and Lindblad Take Pontiac Agency; Give Up Nash Sales

A new corporation in Antioch assuming the agency for Pontiac automobiles is the E and L Pontiac, Inc., formerly the Antioch Nash Sales of Depot street.

Paul A. Erickson and Robert M. Lindblad, former partners in the Antioch Nash Sales, are president and vice president-treasurer respectively of the new corporation. Besides Pontiac cars the new firm will handle a complete line of authorized Pontiac parts. It will also continue to carry Nash parts and service the Nash automobile. Hank Van Truck will be the service manager.

The new telephone number for both sales and service will be Antioch 1010. Shop hours will be from 8 a. m. to 5:30 p. m. Monday through Saturday, and the showroom hours, 8 a. m. to 9 p. m. Monday, Wednesday and Friday, and 8 a. m. to 5:30 p. m. Tuesday, Thursday and Saturday.

The change was effected last Friday.

Senior Class Rehearses Its Play "Down to Earth"

The Senior class of Antioch Township High School is practicing three nights a week on its class play, "Down to Earth," which it will give before the public on March 26.

The cast is made up of 15 students. The play is a three act comedy which promises to be good entertainment for the entire family. Tickets to the afternoon and evening performances will be placed in the hands of the senior students who will have them for sale soon.

Mrs. Anna E. Turner, 69, Dies After Long Illness

Mrs. Anna E. Turner, 69, Channel Lake, died Wednesday, March 10, at the Lake County General hospital, Waukegan, following a lingering illness. Mrs. Turner was born January 26, 1885 in Iowa. She moved to Maywood, making her home there for 45 years before coming to Channel Lake in 1940. She was a member of St. Peter's church.

Survivors are two sons Wilbur C. Antioch and George W. of Thomaston, Maine, and four grandchildren. Her husband Thomas C. Turner, preceded her in death Nov. 22, 1945.

Funeral services will be held at 1:00 a. m. Friday at St. Peter's church. Interment will be in Chicago. Friends may call at the Strang funeral home after 3:30 p. m. today.

Sound Solution

The President's message to Congress on health matters has again focused national attention on the problem of extending voluntary health insurance coverage and still keeping the cost within the means of the average family.

Without debating the President's proposals, there is one sound way of doing that—and it is a way which would involve no revolutionary experiment. It lies in legislation which would permit income tax deductions of medical and hospital bills, and premiums paid for health insurance. Then individuals would no longer pay heavy taxes on money which simply passed through their hands, and had to be spent for unavoidable expenses completely beyond their control.

Selling Our Way Out

A sensible, workable solution to much of the farm surplus problem has been proposed by the head of a large food chain. He called for a program of aggressive, nationwide selling to move surpluses into the hands of consumers rather than into government warehouses.

This program, concurred in by the leading farm organizations, is based upon experience gained in depression days, when chains pioneered the producer-consumer campaign idea. Its soundness was demonstrated repeatedly during the '30's when producers of many products were saved from the effects of disastrous surpluses.

Recently the food industry has had notable successes in relieving beef and broiler chicken surpluses. Faced with increasing costs and falling prices, producers of those commodities were being forced, late in 1953, to sell below cost of production. But instead of appealing for government support, they called on the food distributing industry to help them with a stepped-up sales effort. Retailers responded, and sales increased tremendously as consumers took advantage of the good buys offered. One of the greatest and most far-reaching American achievements lies in the aggressive selling of ideas and products. It is clear that the time is coming to an end when almost limitless farm surpluses can be piled up in warehouses at an ever-increasing cost to the taxpayers. All precedent indicates that intelligent advertising and other promotional effort can go a long way toward selling us out of the farm surplus problem.

Economic Insanity

How long will it be before important groups in this country get rid of that old and potentially ruinous "let's have our cake and eat it too" attitude?

A program recommended to Congress by a major labor union calls for tax revisions and reductions, including a large increase in personal exemptions. At the same time it advocates broader and more liberal social security benefits; high farm price supports; federal financial aid to education; national health insur-

ance; federal low-cost housing and slum clearance, and federal power development!

In other words, the government is to tax us less—and spend more and more and more. Can any reasonable man honestly believe that is anything but economic insanity?

Economic Highlights

It would be foolish to deny that considerable concern is being felt about the business and employment situation now. In some circles, the fear is openly expressed that we may be heading into really hard times. And it is certainly true that only the extremely optimistic expect 1954 to measure up to 1953, when all kinds of high records were established.

An excellent feature article on what is happening and what may be expected appeared in the February 1 issue of Newsweek. It started out with a \$64 question—"just what is a depression, anyway?" It's a safe bet that very few people could give anything resembling a clear answer to that—too many imponderables are involved, and there are too many varying measures of comparison. Any depression will differ from others in degree. It is often said that we will be in a real depression if unemployment reaches 10,000,000. Yet, to scrape a bottom comparable to that of 1933, our unemployment rolls would have to total close to 18,000,000.

Newsweek said, "... a depression is a broad set of conditions which defies pin-pointing. In general, it's a sharp, steady, and prolonged drop in production. It's a steady growth in unemployment. ... And, as much as anything else, a depression is a state of mind. ... fears mount. ... It's a snowballing effect."

The magazine then presented the idea of two economists. One is a British expert, who has been a close observer of American affairs, Colin Clark. Mr. Clark takes a pretty dark view. He thinks—with certain qualifications—that a depression is coming, even though it may be a short one. This opinion is based, in part, on what he considers a relatively low money supply, abnormally high business inventories, and not enough new construction.

An opposed case is offered by Professor E. S. Woytinsky of Johns Hopkins, an economist of international reputation whose forecasts have often been remarkably accurate in the past. He contradicts Mr. Clark on every score, and writes: "There is no indication that depression conditions could develop. The bullish attitude of the consumers, the optimism of investment banks, the high level of construction activities, the active interest in business development shown by the government, the cut in taxes. ... all these factors exclude the possibility of a major depression. He adds that we are now in a comparatively minor recession which soon will end, with the low reached before the middle of the year.

Newsweek also provided a forecast, based on a canvass of a large number of economists and businessmen. And it is certainly not a discouraging one, even though some people are due to be hurt and unemployment will probably average 3,000,000 for the year. The magazine said: "... it adds up to a time of appraisal, a breathing spell in which business can take time out, clear away the confusion, reset its sights. So how about the scare talk that is worrying so many Americans? The answer: a sliding off from the super-boom, yes. A bust, no—very far from it. The biggest problem: scare talk itself. And the facts make it clear such talk isn't justified."

LAKE VILLA

A large group of folk who are planning to become members of the Community Methodist Church of Lake Villa will meet at the church Friday, March 12, 8:00 p. m. The group is gathering for an informal get-acquainted meeting and to discuss with the minister what Methodists believe, what they can expect of the church, what the church expects of its members. Any member of the congregation or community is cordially invited to attend.

The Rev. Kenneth Plummer, minister of the Lake Villa Methodist church, is meeting each Tuesday immediately following Junior Choir practice with a Confirmation class of boys and girls. Any parent whose child is interested in uniting with the church should contact the Rev. Plummer about the class.

The Lake County Ministerial Association held a meeting Monday at the Central Baptist Children's Home.

The Look of Tomorrow
is in every '54 BUICK Today
With completely new "year-away" styling—highlighted by the
dramatic design of the panoramic wrap-back windshield.

Take it Easy
you don't have to prove a thing!

LET's be sensible about this subject of horsepower.

An all-American tackle doesn't go around tackling people in everyday life.

A world-record sprinter doesn't have to demonstrate his prowess on city sidewalks.

The better you are, the less you have to prove it.

And that's how it is with a Buick CENTURY.

Of course it's a spectacular performer—a car with *instantly* responsive action. It has to be, for it combines a high-compression 200-horsepower V8 engine with a nimble weight of only 3866 pounds as it comes off the assembly line.

That's a power-to-weight ratio that challenges up a new record—a ratio that no other Buick has ever reached before.

It can spin your wheels on a dry pavement if you give it the gun, but why waste rubber?

If some show-off wants to get the jump on you at a traffic light, why not let him have fun? He isn't kidding anyone but himself, when the name on your car is CENTURY.

The real pride of owning such a car is simply this: You know so well what it can do that you never have to prove it.

That lets you enjoy the tireless ease of its

gait in ordinary driving, when only a fraction of its eager power is working. It gives you a quick reserve for breasting a hill—and the happy knowledge that there's still more to come in a sudden emergency.

Sure, this is more power than most people really have to have. But you can hardly call it extravagant, when you are buying more horsepower per dollar in a CENTURY than you get in any other car in America.

SOCIETY EVENTS

Mrs. Alice Freeman Gives Readings For Women of the Moose

Mrs. Alice Freeman gave musical readings as the program for the Women of the Moose at its recent meeting. Her numbers were "Kiss and Make Up," "Stay in Your Own Back Yard," and "The Usual Way."

The program followed an initiation of Mrs. Arthur Bertoloni, Mrs. George Welson, Mrs. George Schroeder, and Mrs. Helen Jarvis. Their sponsors were Mrs. Lester Nelson, Mrs. William Meyer, Mrs. Nels Jung, and Mrs. Leslie Palmer.

Mooseheart Chairman Rose Kennedy presented them their pins and law book. She announced that the potluck supper and parcel post sale on Feb. 28 was a success.

The membership committee is planning a card party for April 24 in connection with the Moose lodge dance. It was voted to change the second meeting of April, postponing it one week because it falls on Holy Thursday.

The publicity committee's "My Life" snap shot contest posters were turned in and the judging will be held at the meeting of the committee next Tuesday at the home of Mrs. Homer Toft. Birthdays will be celebrated at the next meeting, March 18.

All committee chairmen are to meet with the senior regent tonight at the Moose hall.

Luncheon was served by the Mooseheart committee, Rose Kennedy, Margaret Gaas, Ann Holm, Ruth Bushmole, Capitola Linder, Nell Harrell, Elsie Hagen, Mary Huebner, Jody Sobey, and Laura Bason.

ANTIOCH ASSEMBLY HOLDS MEETING MONDAY EVENING

DR. TYLER THOMPSON OF EVANSTON

Dr. Tyler Thompson To Be Lent Speaker At Methodist Church

The Methodist church has extended an invitation to people in the community to join with them in their Tuesday evening periods of Christian fellowship during Lent. Tuesday, March 16, will mark the second in a series of addresses on the theme: "Christ—the Hope of the World."

A pot luck supper will begin at 8:30 p. m., followed by an address by Dr. Tyler Thompson, associate professor of philosophy of Religion at Garrett Biblical Institute, Evanston, Ill.

Dr. Thompson did his undergraduate work in the field of physics at California Institute of Technology, and received his bachelor of divinity and doctor of philosophy degrees from Boston University. In 1939 he left to teach in a mission school in Singapore, and taught there until he was interned by the Japanese for more than three years during the war. He and his wife, who was born of missionary parents in Singapore, live with their four daughters in Evanston.

Conference Dance at Palatine March 19 For Council Members

The schools of the Northwest conference area are sponsoring an all-school council dance for council members and their guests at the Palatine High school on Friday, March 19, at 8 o'clock.

The schools in the conference area are Palatine, Antioch, Grayslake, Grant, Glenbrook, Bensenville, Elmhurst, Vernon and Waukegan. Each school is allotted tickets enough to cover ten per cent of their enrollment. Therefore Antioch is allotted 42 tickets.

In case all council members cannot attend, the remaining tickets will be distributed to other students who might be interested in council work for another year.

The school bus will transport the students to and from Palatine. The students will be under the supervision of the Council sponsor, Mrs. Jeanette Tulumello.

Mr. and Mrs. S. Boyer Nelson and son Harold and Miss Marion Berkeheiser of Kenosha, left Wednesday for a vacation in New Orleans, La.

Tickets on Sale Monday For Boy Scout Circus Of N. S. Area Council

"Tickets will go on sale on March 15 for the second annual Boy Scout Circus to be presented on April 23-24 at McGaw Memorial Hall, Northwestern University, by the North Shore Area Council." Lawrence Gougler, Winnetka, business chairman for the event announced.

"Tickets will be sold primarily to parents and relatives of the more than 2500 cubs, scouts and explorers who will participate in the two hour presentation of Scouting in action." Six thousand tickets are available for each night of the show, which, pointed out Mr. Gougler, is not a fund raising project, but an opportunity for boys to participate in a big event and to demonstrate their skills. It will give spectators a better understanding of the scouting program. The ticket sale covers the cost of producing the show with participating units sharing in the proceeds to cover their expense and to provide funds for unit program.

"Over 500 Scouts have already reserved space at Camp Ma-kajawan for the summer camping season," V. J. Killian, camping chairman of the North Shore Area Council announced. The second period is already full to capacity with half of the available space filled in the other three periods. A total of 220

campers can be accommodated in each of the four two-week periods. There is every indication that the 1954 season will serve the largest number of Scouts in the 25 year history of the camp. Mr. Killian advises troops and scouts who plan to attend camp to make immediate reservation for the space still available.

More than 80 Scout Leaders and members of their families have reserved space for the family weekend held immediately after the close of the Scout camping season.

CELEBRATES EIGHTIETH BIRTHDAY ANNIVERSARY

Mrs. Mollie Somerville celebrated her eightieth birthday anniversary at her home Sunday. Mrs. Somerville has been a resident of Antioch for the past 52 years. Guests who helped with the celebration were Mr. and Mrs. J. W. Bernbaum and daughter, Mr. and Mrs. Ernie Schelker, Miss Bell Hahn, and Harry Hahn, her son and wife Mr. and Mrs. Earl Somerville, all of Chicago, Mr. and Mrs. Harold Johnson of Rockford. Following the dinner the honored guest opened the many lovely gifts presented to her by the group.

Antioch Legion To Present Pro Wrestling Show

Here is the committee in charge of the professional mat show to be presented Tuesday night, March 16, in the Antioch High school gym under the auspices of the Antioch American Legion Post No. 748. James W. McMillen, seated, center, diagrams the seating facilities in the Antioch gym for the forthcoming show. Other committee members shown include D. H. Lightsey and Dr. Harry A. Mizock, seated. Standing: Roman Vos, John L. Horan, J. W. Horan, W. V. Lahti, and Paul Erickson. Other members of the committee are F. A. Swenson, E. J. Frazier, Hans Melgard and Oscar Onstad.

Notes from Channel Lake

The fifth and sixth grade basketball team of Channel Lake Grade school has not lost a game this season. This is considered quite an achievement in view of the fact that the school has no gymnasium and the only practice the boys get is once a week at the high school gymnasium. The community is grateful to the high school for this courtesy.

Mr. and Mrs. Lewis Serhson moved to Channel Lake from Chicago March 1. Mrs. Serhson is the daughter of Mr. and Mrs. Otto Kulm of Channel Lake and the Kulls are very happy to have their daughter and her family nearby.

two points 60 to 58. Ben Floyd scored 29 points in his efforts to pull his team out ahead.

Crystal Lake led 14 to 10 at the quarter, 33 to 21 at the half and 46 to 38 at the third quarter. During the final quarter Crystal Lake was as much as 11 points ahead of Antioch. Then Antioch power was turned on and the gap narrowed.

Floyd, at a disadvantage against the taller Crystal Lake players, fouled out, and Crystal Lake saw to it that Haviland and Lass got few opportunities at the basket, thereby dulling the rally.

The Antioch players battled for a victory up to the last second but the desperate shots failed to connect. They limited high scoring Reading, North Suburban conference scoring champion, to five field goals and 11 points, but they weren't able to curb the potent endeavors of Parrish, who found the range for 25 tallies.

Patriotic Conference

Approximately 1200 representatives from the 930 units of the American Legion Auxiliary, Department of Illinois, will gather at the Morrison Hotel, Chicago, on Thursday, March 25 for the 26th Annual Patriotic Conference on Americanism, National Security and Civil Defense sponsored by the Illinois Department of the Auxiliary.

The all-day conference will convene at 9:30 a. m. with Mrs. Alvin G. Strum, Chicago, Illinois president, presiding.

A luncheon will be held in the Terrace room at 12:30 p. m., at which Mrs. O. L. Koger of Topeka, Kansas, National vice-president of the Central Division of the auxiliary will be the honored guest and principal speaker.

Mrs. Lucy Himens, Mrs. Joseph Horton and Mrs. John W. Horan of Antioch Unit will attend this conference.

March is Community Service month on the calendar of activities of the American Legion Auxiliary. Mrs. Nellie Hanke, community service chairman of Antioch unit will summarize the community service program in which all Auxiliary members are asked to assist in various community activities.

Prominent in the Auxiliary's program is the support of the American Legion's "Back to God" movement. March is the anniversary month of the birth of the American Legion and the 930 units of the American Legion Auxiliary, Department of Illinois, will honor their respective Legion posts with special parties and programs.

Organized in Paris, France, March 15, 1919, with only a few hundred men as its initial members, the American Legion has increased its membership to over three million. Although organized of veterans of World War I the Legion now includes the veterans of World War II and the Korean conflict, with many of the posts consisting of all young veterans of the latter two wars.

The next regular meeting of Antioch unit, American Legion Auxiliary will be held Friday, March 12 at 8 p. m. in the Legion Home. Mrs. Nellie Hanke and committee will be in charge of the evening's social program.

Leads Singing at Banquet

Fred D. Bjork, former Antioch Grade School music director, attended the In And About Music Club banquet at Greenwood school in Waukegan Monday evening and let the banqueters in community singing. In attendance as a guest of another member was Mrs. Fern Lux, also of Antioch. The club is made up of music directors in and about Chicago. Grade school pupils of Waukegan provided the entertainment. Bjork is now a teacher at Whittier school in Waukegan.

Ten Grass Fires

Grass fires which have almost been non-existent for several months appeared in marked rapidity over the week end.

There were five calls to the Antioch Fire department on Saturday; three on Sunday and two on Monday, according to Clerk Clarence Shultis. They were in all directions from town, and none did any serious damage.

New Smut Control

With a new method for disinfecting seed oats, a grain grower now can tell at a glance which oats have been treated for planting and which have not. Shown here at left are healthy oats, while smut-infected oats are at the right.

The new, easy-to-apply liquid (Panogen) is strongly recommended for its effectiveness by leading experimental stations. It gives a reddish color to kernels coated with it so that there is no danger of mistaking this red grain for untreated oats suitable for sale or feed use.

Use of Panogen is a means of getting a crop of oats better in quality and quantity than would be the case with untreated seed.

Wells Ready to Operate

Antioch can now draw upon her new water supply any time she needs it. The pump company tested the new well, found that the pump is operating properly and that the water is good. At present, the old pumps are sufficient to take care of the needs of the village, and it will not be until an emergency or summer that the new supply will be drawn upon. The flooring to the new pump house was poured during the past week.

LEGAL NOTICE TO ALL WHOM IT MAY CONCERN:

On January 13, 1954, at the annual shareholders meeting of the shareholders of the State Bank of Antioch, Illinois, a banking corporation, incorporated and existing under the state banking and corporation laws of the State of Illinois, held at the State Bank Building at Antioch, Illinois, a resolution, on motion duly made and seconded, was passed in accordance with the Articles and By-Laws of said State Bank. In which resolution it was voted to increase the capital stock of said bank from \$75,000.00 to \$100,000.00 and to declare a stock dividend wherein all stockholders of record, as of January 13, 1954, will receive one (1) share of \$100.00 par common stock of State Bank of Antioch, Illinois, stock for every three (3) fully paid shares of \$100.00 par common stock or fractional share thereof, based on the ratio of one (1) new share for every three (3) fully paid shares held, as of the record date on the stock transfer book January 13, 1954.

ORDINANCE NO. 267

AN ORDINANCE RELATING TO COIN-OPERATED AMUSEMENT DEVICES

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF LAKE VILLA, ILLINOIS,

SECTION I: Pursuant to the powers contained in Chapter 120, Section 481-B of the State statutes, a license fee (as a tax) on every coin-in-the-slot-operated amusement device of the following description or designation shall be imposed as follows:

A. On every coin-in-the-slot-operated mechanical pinball device or other similar coin-in-the-slot-operated mechanical device played for amusement which rewards the player with the right to replay such mechanical device, which is so constructed or devised as to make such result of the operation thereof dependent in part upon the skill of the player and which returns to the player thereof no coins, tokens or merchandise, an annual tax of \$25.00 for each coin receiving slot. Such right to replay so obtained shall not represent value or evidence of winning within the meaning of any of the laws of this state.

B. On every coin-in-the-slot-operated mechanical device which is designed to be played for amusement and which in its operation shoots or propels an electric light ray or impulse from a gun held and operated by the player of the device, to a target which contains a receiving photoelectric cell, an annual tax of \$15.00.

C. On every coin-in-the-slot-operated mechanical bowling or shuffle-board device which is designed to be played for amusement and which, in its operation, delivers to the player thereof one or more balls or other projectiles which must be rolled from or impelled by the hand of the player or by a mechanical device, into a cup or receptacle or over scoring devices, an annual tax of \$15.00.

D. On every coin-in-the-slot-operated mechanical musical device commonly referred to and known as a juke box, used for entertainment or recreation, an annual tax of \$15.00.

SECTION II: Any person or persons, firm, club, association or corporation which displays any coin-in-the-slot-operated amusement device to be played or operated by the public at any place owned or leased by any such person or persons, firm, club, association or corporation, shall obtain a license for such device from the Village of Lake Villa.

SECTION III: Application for license. Any person or persons, firm, club, association or corporation which displays any device hereinabove described, to be played or operated

by the public at any place owned or leased by any such person or persons, firm, club, association or corporation, shall file an application for a license for such device properly sworn to, setting forth his name and address, with a proper description of the device to be displayed, and the premises where such device will be displayed, and the premises where such device will be located, together with such other relevant data, as the Village Board of the Village of Lake Villa, Illinois may require. Such application for license shall be accompanied by the required license tax, and such license tax shall be paid to the Village of Lake Villa, Illinois, and collected by the Village Clerk.

The Village Clerk shall supply and deliver to the person or persons, firm, club, association or corporation which displays any device as hereinabove mentioned, a license for each such device for which an application is made; stating the year for which issued and classification of device for which issued. Such license tax shall thereupon be prominently displayed in the place of business.

SECTION IV. Period of license. License period shall be for one year, from May 1, to April 30, of each year. No refund or rebate shall be made to any applicant for license, for any reason or cause.

SECTION V. Penalty. Any person or persons, firm, club, association or corporation, operating or displaying any device described in this Ordinance in such manner that it could be played by the public without the tax imposed by this Ordinance having first been paid, shall be guilty of a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than \$200.00.

The use or operation for other than amusement purpose of any device licensed under this Ordinance, shall be a misdemeanor and punishable as provided in this Ordinance, and any person or persons, firm, club, association or corporation convicted thereof, shall be punished by a fine of not more than \$200.00.

SECTION VI. All Ordinances in conflict with this Ordinance are hereby repealed.

SECTION VII. This Ordinance shall be in full force and effect

after it is passed, approved and published as provided by law.

New, roomier bodies! New, rugged construction!

New Chevrolet Trucks...

do more work per day . . . more work per dollar!

You save extra trips. That's because of the extra load space you get in the new Advance-Design bodies. New pickup bodies are deeper . . . new stake and platform bodies are wider and longer. Also, they're set lower to make loading easier.

You save hours on the road. Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic transmission, you save valuable time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

MOST TRUSTWORTHY TRUCKS ON ANY JOB!
Chevrolet Advance-Design Trucks

You save on operating costs. High-compression power saves you money every mile! The "Thrifmaster 235" engine, the "Loadmaster 235" and the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. For example, there are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay - and continue over the miles. Chevrolet is America's lowest-priced line of trucks. And it's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

Your Income Tax

Last Minute Filing Reminders
The due date for filing your 1953 individual income tax return is Monday, March 15, 1954. This date has not been changed. This leaves only a few more days to file. Taxpayers who haven't filed their individual returns are asked to give this matter their immediate attention, and not wait until the last minute and risk the chance of incurring a penalty for failure to file on time.

Sign Your Return
Last minute filing is often responsible for errors or slip-ups which delay processing of returns or issuing of refunds.

Before forwarding your return to the district director's office, check it for completeness. See to it that your return is signed. In case of a joint return, husband and wife should make sure both signatures are on the return.

Attaching the W-2's
Many taxpayers forget to attach the wage slips or W-2's to their returns. Without the W-2's, the return is not complete. This also delays the work in the district director's office and may inconvenience the taxpayer in that he has to take time to attach the W-2's and resubmit the return.

Taxpayers were sent machine-punched cards with their income tax blanks. These machine-punched cards, Forms T-25, should also be attached to the returns.

Making Corrections
If, after filing your return, you discover you have made an error, wait until you have been notified by the district director's office to make the appropriate correction.

You may receive a form letter indicating your error with instructions as to the correction of it. Or you may receive a notice that an error was found and rectified.

Some errors or omissions will have to be corrected by an amended return. If you think you will need assistance in making out an amended return you should go for assistance to your local district director's office.

Evening Telephone Service
Evening telephone service will be maintained from 5:00 p. m. to 8 p. m., for the purpose of answering questions of taxpayers who are preparing their returns at their homes or places of business.

The telephone number is Dearborn 2-4500.

Telephone service is most economical for both the taxpayers and the internal revenue service, enabling the district director's personnel to assist more taxpayers in less time. Agents cannot, however, undertake by telephone to help taxpayers fill out their returns.

Federal income tax returns must be mailed by midnight of March 15, to the office of the District Director

of Internal Revenue, 22 West Madison st., Chicago 2, Illinois.

Payment

The tax due may be paid either by checks, money orders or in cash. Checks or money orders should be made payable to the district director of Internal Revenue. On no account should cash be sent through the mails. However, cash may be taken in person to the district director's office, 22 West Madison st., Room 1, United States Court House or any one of the branch offices.

Make no payment if you use Form 1040A, the Yellow form, until you have a bill from the district director for any tax due.

Health Talk

Rabies

The old idea that the incidence of rabies was "heaviest during 'dog days'" is a misconception. Statistics prove that rabid animals bite during all times of the year but more so during early spring and fall, the Educational committee of the Illinois State Medical Society advises in Health Talk.

Rabies is an acute infectious disease transmitted to human being through the bite of an animal harboring the virus causing the disease. Dogs, cats, foxes, wolves, horses, cows and other animals may be affected by the rabies virus, but it is most prevalent in dogs and dogs are most responsible for the spread of the disease.

Frithing at the mouth is not necessarily a symptom in the animal. In a pet, there are definite signs that make it imperative to have the animal examined by a veterinarian at once. If the dog suddenly becomes irritable, snaps without reason, seeks solitude, chews indigestible objects, has excessive saliva with paralysis of the lower jaw, difficulty in swallowing, a change in bark or disturbance in vision, a veterinarian should be consulted.

The incubation period of the virus in a dog varies from one week to six months. It lodges in the saliva. When the dog bites a human being, the virus is passed into the broken skin. A large or deep wound will cause manifestations of the disease sooner than a shallow or simple tooth wound. Because the virus travels along the nerve routes, a bite on the head, face or neck is particularly dangerous and may produce symptoms within ten days, while an arm or leg wound may not cause the disease for thirty to sixty days.

Rabies can be prevented. There are antirabic injections which fight off the disease and anyone who has been bitten by a dog should seek treatment. Prevention could also be established by having your dog vaccinated against rabies.

It is important to remember that the animal's saliva contained the

rabies virus for about eight to twelve days before the onset of symptoms. Even though he may appear perfectly well at the time of the bite, he may be infectious.

The prevention of rabies is a community problem, for once symptoms develop the victim dies. Pets should be injected annually with a vaccine that will help build its resistance against the disease. In addition they should not be allowed to roam the streets. Instead they should be kept on a leash, not exceeding six feet in length. Every effort should be made to apprehend stray dogs to comply with health department regulations concerning dogs. All dog bites should be reported at once. Rabies or hydrophobia is a dread disease. During the onset of the disease, the symptoms may include restlessness, apprehension with irritation and tingling at the site of the bite. As the disease develops, the voice becomes husky, the muscles of swallowing and breathing contract in spasms and literally the victim chokes to death.

If a person is bitten, do not rely on simple first aid or mild antiseptics. Consult a physical immediately so that the wound can be cauterized and preventive injections started. Doing this may save a life, for no one need die of a dog bite if proper precautions are instituted. Haste is necessary because of the rapidity with which the virus travels to the brain and nervous system. Do not kill the dog. Have the veterinarian keep it under observation. Abide by his judgment in further procedures.

**It takes father-and-son craftsmanship
to make Studebaker the
best built car in America!**

THIS is a challenge we are glad to sign—a challenge from South Bend to Detroit.

It is a challenge to all cars for a comparison of quality and durability with Studebaker—the best built car in America unquestionably.

Care that counts!

Upstanding citizens—many of them unique father-and-son teams—proudly man the great modern Studebaker production lines.

They are home-town people mostly—nearly all of them are Indiana born and bred—and that's one reason why they are the most painstaking craftsmen anywhere in

automobile manufacturing.

Thanks to the constant care taken, the name Studebaker means, not only a great car, but, a quality way of building cars.

See what you gain!

Come in and examine the superb construction of the new 1954 Studebaker. See how solid and sound it is throughout. It's more than the best built car in America. Its far-advanced style is like money in the bank for you as insurance of high resale value.

Antioch in Alphabetical Rhyme
J is for Johannott, a versatile man,
Who dabbles in real estate (and has always a plan
Whereby to make money by no small counts;
And occasionally, too, on the sulky he mounts.

J. is for James, postmaster and son,
Of political jobs 'tis only one.
K is for Kurtz, who pictures takes,
And it is in this way his fortune he makes.

K is for Karr, our jolly old "Doc!"
Of knowledge and learning he has a full stock.
L is for Levi, a hunter of note
Who when Spring comes takes his gun and his boat.

M is for Morley, J. J. if you please
Who numbers his friends by the score and sees
All the big prize fights and races as well
And returns in due time with big stories to tell.

M is for Mathews, he has been heard of before,
The best looking fellow who clerks in any store.

Students of Northern Illinois State Teachers College, DeKalb, demonstrated typewriter techniques and shortcuts directed by John Rowe, and Northwestern University Students demonstrated "Shorthand for Court Reporters."

Lunch was served at Abbott hall. The ten students selected to make this trip are Elsie Catardi, Barbara Waldweller, Rose Marie Larson, Joan Paddock, Margaret Matteoni, Sharon Behrens, Margaret Schlegel, Virginia Harness, Eugene La Plante and Mike Hruby.
